1. Introduction

Thank you for downloading Co-Star Personalized Astrology Daily Horoscope. Co-Star uses NASA Data Points and an Ai algorithm to create your daily readouts. With this app, you will learn how to read your astrology chart and navigate the stars to better understand your astrological forecast. With Co-Star, you will learn which signs you are compatible with and which signs you should avoid. You will also learn about your moon signs and how they will affect your daily life.

Please read this user's guide carefully before using the Co-Star app. Also visit www.costargurus.wordpress.com for additional information.

2. Product Overview

The Co-Star mobile app is supported on both Android and iOS devices. This app aims to assist beginner and intermediate users who want to understand the full details of their astrological chart and better analyze the details of their lives.

Co-Star is a way to make friends and find better compatibility with anyone you meet. With your daily readings, you will also be better prepared to find a special relationship. Use this guide to assist you in getting a better overview of the app and learn more about the power of astrology.

Once the user creates a username and password, followed by their birth information, the user will have access to the app's main features, including; seeing a personalized daily horoscope reading, a detailed personalized astrology chart, and connecting with friends to view compatibility with other users.

3. Feature Description

3.1 Astrological Signs Chart

The Co-Star app uses NASA data to personalize the user's astrological chart based on the time, date, and place users were born. The chart generates the user's unique chart with star signs and planets to describe their personalities and moods. While users are reading their chart descriptions, the app will also share compatibility with friends—allowing users to see if their friends are experiencing similar placements.

3.2 Daily Updates

Co-Star uses NASA data to create natal charts for users to see the influences of their daily life. This feature changes day-to-day based on the alignment of stars to give the user the most accurate results. The app also uses advanced Ai, which learns and understands the user's provided data to create a personally tailored experience for the user's astrology life and interests.

3.3 Connecting to Friends

Co-Star allows users to connect with friends astrologically by sharing charts to see how compatible the users are with one another. This feature will allow users to understand their friends on a deeper level and build a closer relationship using astrology.

4. Instructions

5. Frequently Asked Questions

5.1 What do the houses on my chart mean?

Beginning from the sign that was rising from the east when you were born, the sky is divided into 12 sections, which symbolize the area of your life.

- 1st house: Self-image
- 2nd house: Your personal resources
- 3rd house: What you know
- 4th house: Homelife
- 5th house: Pleasure & activity
- 6th house: Productivity
- 7th house: Significant relationship
- 8th house: Beginnings and endings
- 9th house: Open-mindedness
- 10th house: How people see you
- 11th house: Friends and acquaintances
- 12th house: Unconscious

5.2 Is Pluto considered a moon or a planet?

Pluto is considered a planet that represents energy in your astrological chart. We use Porphy, the oldest system of quadrant-style house division.

5.3 What does my Pressure and Power on my daily calendar mean?

Power symbolizes an aspect in your life that you can excel in and have the ability to flourish in. Pressure symbolizes an aspect in your life that you have trouble in but can recognize and work on.

5.4 Where can I find my chart?

Your chart is located on the left side of your home page. It has a red dot next to it and will open to a new page with your astrological chart that will include your signs and houses.

5.5 How do I look at my friend's chart?

Your friend list is located on the right side of your home page. Your friends will be organized alphabetically by username. After you click on a friend's profile, you will have the option to click on their chart.

5.6 Is my information safe with Co-Star?

Yes. We do not use or have access to any third-party data, including but not limited to, your text, your mic, or other trackers. We do not track your activity or usage. Co-Star does not sell personal data and does not plan to in the future.

5.7 What is Chaos Mode?

Chaos Mode is designed for you to write something for yourself and you could receive it as a push notification one day. After you save this note, you will receive it on a relevant day. This will not affect your regular notifications.

5.8 What astrological system is used for the app?

We use Porphyry, the oldest system of quadrant style house division (far older than Placidus, but slightly newer than Whole Sign), which uses the ascendant as the 1st house cusp and midheaven as the 10th house cusp.

6. Glossary

Chaos Mode: Write yourself a note to receive at a later date as a push notification.
